**ONE OF MANY REPLIES GIVEN BY AUTHOR TO WORKERS IN THE FIELD:**

"I am not religious; I am a positive realist who has been rescued by my Creator and Redeemer (: These 8 books are from Him - not me and He is running this awesome Project (at grassroots level). I also note that He has sent these books to those who love, or will love, Him - not to the world-at-large. You may not believe the peeps who have received these books - God is reaching political leaders, religious heads, industry movers, as well as the average person on the street. He knows what He is doing and is using the holy spirit to get the message out for the Believers in this Final Generation. Thanks for your offer but I do not need any additional tools for these books; by all means, you are more than welcome to do so yourself - and you can keep all monies generated (: "
